Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**Statement of Facts Supporting Petition Under 37 C.F.R. § 1.137(b)
For Revival Of An Application For Patent Abandoned Unintentionally**

I, Joe Nieh, declare that:

1. I am the attorney of record for the applicant in the above referenced US utility patent application.
2. I have personal knowledge of all facts stated herein.
3. The above mentioned US utility patent application was filed on August 1, 2003.

Application No.: 10/632,773

Petition dated: February 19, 2007

Response to Notice of Abandonment of: December 28, 2006

4. On August 29, 2006, the Notice of Allowance and Fee(s) Due was mailed from the USPTO.

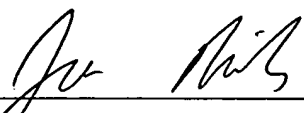

5. The due date for the payment of the issue fee and publication fee was November 29, 2006.

6. I had failed to docket the due date for the payment of the fees in my docketing system.

7. Subsequently, I received the Notice of Abandonment mailed December 28, 2006 from the USPTO.

8. The entire period of delay, from the due date of the issue fee and the publication fee to the date of the filing of this petition, was unintentional.

This statement of facts is made under penalty of perjury and willful false statements are punishable under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent issuing thereon.
